About Lived Places Publishing

- Our catalog is growing rapidly, with leading scholars currently developing 20 interdisciplinary collections
- Each title explores the intersection of **identity and place**, humanizing an issue through lived experience
- Books are 150-200 pages designed for college curricula, each available in print or digital formats
- Affordable institutional pricing with **unrestricted patron access** ensures equitable access with no additional cost to students
- More than one-third of each sale goes back to the author/creator community and the funding of Open Access
